

Gladstone Region & The Discovery Coast

The Gladstone Region, at the heart of the Southern Great Barrier Reef, is Central Queensland's outdoor wonderland. Just 500km north of Brisbane, it blends major industry with a friendly country-town feel and stunning natural attractions.

From secluded coral cays to breathtaking hinterland, the region offers diverse tourism experiences. Enjoy year-round sunshine while snorkelling, fishing at Lake Awoonga, or exploring scenic national parks. The world-class East Shores Complex in Gladstone features a waterfront boardwalk, lush green spaces, and family-friendly activities.

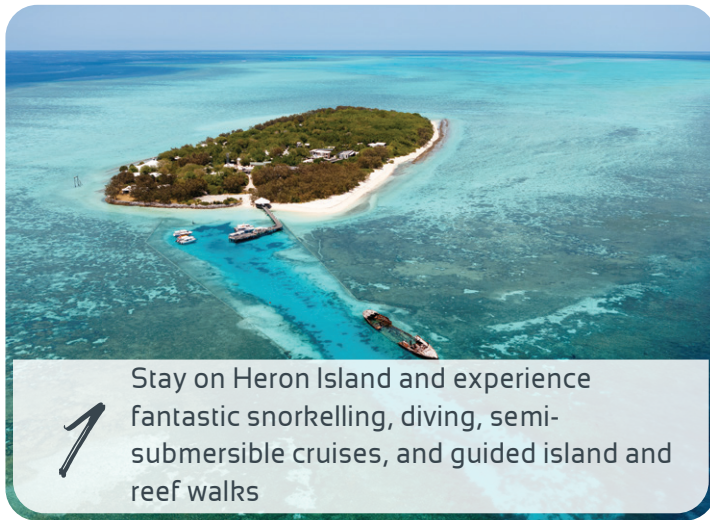

Just 1.5 hours south, Agnes Water and the Town of 1770 boast pristine beaches, surf breaks, and historical significance as Captain Cook's 1770 landing site. These coastal gems offer eco-tourism, reef adventures, and spectacular sunsets.
